Notre Dame Parking Permit

We hope to provide you with parking, which will be hassle free. A parking permit costs \$10.00. You and everyone else who will park a car at Notre Dame will be expected to follow the rules listed below. Failure to follow these rules will result in detention or possibly losing the right to park your vehicle on Notre Dame school grounds.

- 1) You must always have your parking tag showing with the parking zone clearly indicated.
- 2) You must only park in your designated zone. (If for some reason you can't park in your zone, you must park in the white zone and notify Coach Theriot immediately. **DO NOT** park in another zone).
- 3) You may NOT give your parking permit to anyone else. Everyone who drives will have his or her own tag. You may not share a parking permit.
- 4) You will NOT spin tires or drive recklessly in the parking area.

I UNDERSTAND THE FOLLOWING RULES AND AGREE TO FOLLOW THEM.

TO: Notre Dame Students and Parents

It is necessary to have a safe and orderly parking lot at Notre Dame. It is necessary for students to have their parking permits on display on the vehicle they are driving. It will also be necessary that we have on file the license plate number of each vehicle the student may drive during the school year. If a new vehicle is obtained during the school year Ms. Young needs to be notified of the new license plate number and a new sticker must be purchased for \$ 1.00. If the student drives a different vehicle to school (one without a sticker) the student is to put their name and their zone on a sheet of paper placed on the dash board, visible from the outside. **This form must be filled out and returned to Mrs. Diana with the registration fees by Monday, March 29. in order to obtain a tag for your chosen zone in the initial lottery.**

Thanks
